**Action items are denoted in bold.**

**Welcome, introductions, and review agenda**

Stephanie welcomed the Leadership Team and asked everyone to introduce themselves.

**Teens and TZD**

Sue presented on the Teen TZD program in Minnesota and the Young Driver State Action Team. The PPT will be sent out to the TZD Leadership Team. She highlighted a few items including car crashes are the number one cause of preventable death for teens, discussed numerous teen outreach events they have had in her region including a mock car crash with over 900 students in attendance. Drinking, speeding and unbelted are still key issues for teen drivers. There is a Younger Driver State Action Team just being developed. They are looking for additional team members. Please contact Sue if you are interested.
