MnDOT Work Zone Safety Awareness Program

Inyan Walking Elk,
MnDOT Office of Construction and Innovative Contracting
The Work Zone Safety Awareness Program is an educational program that works to promote safe driving in winter and summer highway work zones. WZSAP also serves to educate the public about traffic innovations and certain unfamiliar driving situations.
Why?

- Public Safety and Awareness.
- Keeping you informed of traffic innovations.
- Sporadic and unique.
- Protect the lives of the workers and the public.
A little History...

- Started with the Metro Speakers’ Bureau
- Went statewide in 1999.
- Included pertinent personnel.
Challenges and Change

- Funding
- Personnel
- Online learning options

- Stand-alone program packets.
- Stand-alone video presentation.
