“TZD Challenge: What Will You Do?”

- Get a Millennial to mentor me.
- Put my cell phone in my trunk at all times when driving. No temptation. A good model for others.
- Arrest more drunks!
- Start teaching the children earlier about safer driving habits. Parents – it starts with you!
- Donate blood today and set up a blood drive in my Community
- Make my husband slow down!
- Provide education to community members and professionals about the truth about the effects of short term and long term marijuana abuse
- Now I can better assist with car seat install questions.
- I will give my phone to my child so then I don’t/can’t use it.
- Introduce cell-slip to driving instructors in our area.
- Keep focused on preventing drowsy and distracted driving.
- Stop speeding
- Identifying impaired drivers in all types of vehicles – including CMVs
- Train all my workers about distracted driving and give them material to take home to their family and friends.
- Make sure my family and friends have safe rides home.
- Remind family and friends to not drive drowsy.
