

RE: AAA GREAT PRETENDERS PARTY GUIDE

Dear Traffic Safety Partner,

Celebrating with family and friends is an enjoyable part of the holiday season. In support of AAA's longstanding commitment to keeping motorists safe on the road, the Auto Club encourages partygoers to approach these festivities with an awareness of the dangerous practice of drinking and driving.

To that end, we are pleased to present the first digital edition of the *AAA Great Pretenders Party Guide*. It features nonalcoholic drink recipes from many of our prestigious AAA Diamond-rated establishments throughout the Midwest. Also included are party tips and driving safety information.

We have attached a link www.AAA.com/Pretenders to our guide for your use. Please feel free to post this on your web, or email it. The recipes and information are appropriate for year-round gatherings. With your help, we can work to make our roads safer.

Happy holidays!

Your friends at AAA
