The CAV Safety Committee Alliance Ask

This Committee will help guide the state to ensure Minnesota's current and future transportation system is **safe** for all modes of travel.

Perception vs. Reality

1. Define CAV safety
2. Identify safety principals for the state
3. Help Minnesotans understand safety benefits opportunities of CAV
4. Advance CAV safety research with a multi-modal perspective and human-centered design

Collaborative Measures

- Traffic safety educators
- TZD/Traffic safety partners
- Automobile dealers/manufacturers
- Employers
- Everybody
