Many licensure and certification agencies require the demonstration of continuing professional competency. The Minnesota Board does not pre-approve courses and activities, however to the best of our knowledge this course/activity meets the continuing education requirements outlined in MN Statute 326.107. Final discretion is up to the Board.

The table below shows the professional development hours (PDH) that can be earned for the continuing education activities included in the Center for Transportation Studies **Metro Toward Zero Deaths Regional Workshop held in Brooklyn Center, MN on Wednesday, April 27, 2022.**
