School Bus Stop Arm Camera Grant

The **Purpose** of this grant is to help keep school children safe in our communities and to hold drivers accountable for their dangerous driving behaviors.

The **Goal** is to reduce the number of stop arm violations around the state to keep our children safe.

The **Outcomes** we are seeing already: the number of violations are on the rise.

The **Outcomes** we hope to see: changing drivers dangerous driving behaviors and choices. The number of violations will decrease significantly in the coming years.
