School Bus Camera Grant Coordinator  
November 2023

2022-2023 SBSC

# School Bus Stop Arm Camera Grant Project

Rahya Geisler – OTS/DOT  
Lt. Brian Reu - MSP

# 2022-2023 SBSC

# School Bus Stop Arm Camera Grant

The **Purpose** of this grant is to help keep school children safe in our communities and to hold drivers accountable for their dangerous driving behaviors.

The **Goal** is to reduce the number of stop arm violations around the state to keep our children safe.

The **Outcomes** we are seeing already: the number of violations are on the **RISE**.

The **Outcomes** we hope to see: changing drivers dangerous driving behaviors and choices. The number of violations will **DECREASE** significantly in the coming years.

# Hudson

# Hudson

# Hudson

What Hudson wanted to share is that no one wants an accident like this to happen.

No one wants to deal with the pain and trauma that comes from an accident like this.

What he said to me was...

**“If that guy would have followed the law, and waited the few seconds longer, none of this would have happened. It could have been avoided so easily”**

# School Bus Stop Arm Camera Grant

- 2021 Legislative Session approximately \$14.7 Million appropriated to DPS-OTS to support a School Bus Stop Arm Camera Grant Program
- 6 grant application phases in progress or complete as of today
- 155 grants were awarded utilizing approximately \$14 million of the appropriated funds
- 57% of grantees are Schools – 43% Bus Companies
- Nearly 7,000 buses will be equipped with camera systems when this grant project ends. This figure represents approximately 59% of the eligible bus fleet.

# Grant Requirements

- Work with LE to do reporting of violations

Connecting and partnering with Law Enforcement for ongoing reporting during and after the grant period is over

- Community Education and Awareness

Provide ongoing community awareness via media, social media, schools, driver trainings, etc. to grants in their communities
