

Wednesday, February 14, 2024
1:00 – 4:00pm

FINAL AGENDA

Humphrey School of Public Affairs, University of Minnesota
301 S 19th Ave, Minneapolis, MN 55455
Josie Johnson Community Room (Room 180)

- 1:00 Welcome and Introductions**—Mike Hanson, Department of Public Safety
- Chairs' Welcome and Introductions
Chair Hanson, along with Vice-Chairs Sorenson and Diamond, will welcome members to the meeting. Members will be asked to introduce themselves and the organization they are representing on the Council.
 - Approve Today's Agenda
 - Approve [Minutes from December 13 Meeting](#)
- 1:15 Foundations of the Safe System Approach**
- Presentation: Overview of the Safe System Approach—Ken Johnson, Department of Transportation
 - Member Discussion—Brian Sorenson, Department of Transportation
Members will be asked to share thoughts and reactions to the previous presentation. Please consider the following questions during the discussion:
 - *Where are opportunities to better integrate Safe System into your work?*
 - *What challenges exist when you think about the Safe System approach?*
 - *How should the Council incorporate Safe System into their work/structure?*
- 2:15 Working Group Updates**—Derek Leuer, Department of Transportation
- Strategic Highway Safety Plan
 - Accomplishments and Learnings from 2020 – 2024 SHSP
 - 2025 – 2029 SHSP Working Group
 - Safe Road Zone and Rural High Risk Roadways
- 2:30 Break**

2:45 Traffic Safety Data Requests—Catherine Diamond, Department of Health

- **Multi-agency Data Response Team**
Data experts from the three lead agencies have come together to form a data response team to help answer and respond to data-related questions from Council Members. Staff will share details about the team and how they will be utilized moving forward.
- **Summary of Responses from Council Members and Next Steps**
Staff will share a summary of responses from the three data-related questions posed to members in December, and provide a recommendation on next steps.

3:15 Member Discussion: Near-Term Projects and Ideas—Paul Aasen, Minnesota Safety Council
Many Council initiatives discussed to date will take time to implement. In this discussion, members will be asked to share traffic safety projects and/or ideas that are ready for implementation now, or will be in the near future. Please come to the meeting ready to share near-term activities/initiatives that can help us make progress toward reducing fatal and serious-injury crashes in Minnesota.

3:45 Public Comment—Mike Hanson, Department of Public Safety
Public comment is limited. The number of commenters and length of time permitted is at the discretion of the chair, and is subject to change. Please plan accordingly.

4:00 Adjourn
